# About Us

## Who We Are

HUBBIQ is a modern African-inspired jewelry brand on a mission to provide authentic fashion jewelry that celebrates African style with inspiration from ancient African cultures and civilizations. We provide classic, polished and wearable pieces of jewelry that serve as a source of cultural identity for men and women of style.

## Our Aim

Our aim is to present you with timeless jewelry that connects you to a piece of your African heritage. Our signature is the creative use of objects, charms, gems and materials that demonstrate the brilliance of African symbolism and opulence and evoke a stylish simplicity about our brand; designs that perfectly blend urban and African styles into very simple yet wearable, sophisticated and timeless jewelry that you love.

## Our Goal

Our goal is to become your brand of choice for impeccable fashion products that celebrate African identity. And our hope is that your fashion closet reflects this soon enough.
